**Oliver Kühn** @0x04 16:10

@pixelass Impressive 😀

**Gregor Adams** @pixelass 16:11

Trying to find some examples to show the flexibility of Paraglider 😃

Since it exposes a timeline you can put almost anything inside the slider.

It could be an entire storyboard.

**Oliver Kühn** @0x04 16:12

Well done. You did it 😀

**Haroen Viaene** @Haroenv 16:14

It's crazy awesome

**Gregor Adams** @pixelass 17:11

I just added 2 slides, so now the cars move differently 3 times. 😉
